

SPOILER PRIEST

Jorja Hudson

INT. CHURCH

A Priest is in the confession booth. A young man sits beside him. They do not see each other.

MAN

Forgive me Father, for I have sinned.

PRIEST

OH MY GOD! You won't BELIEVE what the guy before you told me! I just can't stop thinking about it - he told me a spoiler for the ending of USA Network's TV show "Suits!"

MAN

Father, I don't think you're supposed to share his confession.

PRIEST

I know, I know, but - SUITS! Who knew Gregory would fail law school?

MAN

With all due respect, Father, I don't care -

PRIEST

It's just - listen - I don't sin, I don't torrent movies, I have been a man of faith for 28 YEARS! My only guilty pleasure in life is the TV show "Suits"!

Man 1 leans back in his chair.

MAN

Father, I did something really bad. The Devil came to me and -

PRIEST

I am just so furious that he told me the ending of "Suits"! How dare he spoil my day, it was already a long hard day, and I had already DVR'd "Suits"!

(CONTINUED)

MAN

USA Network probably have other shows...

PRIEST

But I really only care about "Suits"!

MAN

Father -

PRIEST

The Bible doesn't say I can't watch "Suits"!

MAN

I didn't imply - Look, who even watches "Suits"? I've never -

PRIEST

I do! And clearly, that guy did. OH - and, I JUST REALIZED, if Gregory fails law school, then surely Ian gets convicted... then, wait, that means it can't be Stacey's baby!

MAN

What?

PRIEST

Oh lord, help me in my time of need! Please say there will be fresh unspoiled surprises in Season 2!

MAN

Listen, my sin was that I killed my mom. Also, my uncle works at USA Network and he said they're canceling "Suits".

PRIEST

(throws his arms in the air)
Well, now I KNOW there is no God!

BLACKOUT.
